Hedge Funds: Horizon Outlook

Thursday, October 20, 2016 - 11:30 am to 1:00 pm

(Registration 11:30 am, lunch/program noon to 1:00 pm)

Loews Minneapolis Hotel, 601 First Ave N, Mpls, MN 55403

Each hedge fund strategy is constructed to take advantage of certain identifiable market opportunities.

Join us to hear Tony Daffer's take on investing hedge funds, including:

- Common strategies and investment philosophies employed by hedge funds: which approaches are growing and which are falling out of favor?
- How do funds differentiate performance? As the sector has grown, out-performance is more difficult.
- Tony's take on reporting short interest.
- Recommendations on what IROs should look for when researching hedge funds in order to be properly prepared before a meeting with a hedge fund manager.
